25X1 8. ([ ] - CEA) Called J. Sourwine with regard to his  
25X1 request that [ ] be made available to the Senate Internal  
Security Subcommittee and informed him that the House Committee on  
Un-American Activities had put in the first bid for [ ] Sourwine  
accepted this although he was displeased and subsequently called Mr.  
Maury. 25X1

25X1 9. ([ ] - CEA) Miss Batty in the office of Representative  
25X1 Donald J. Riegle (R., Mich.) called to let me know that the Congressman  
25X1 had interviewed [ ] and wanted the Agency to know that he has  
no way of knowing whether [ ] information is of any consequence.  
I attempted to pass this information on to [ ] but was unable to  
reach him. 25X1

25X1 10. ([ ] - GLC) In conversation with George Murphy, on  
25X1 the staff of the Joint Committee on Atomic Energy, I mentioned the articles  
25X1 appearing in the [ ]  
[ ] Murphy said he had seen the full page ad in the New York  
Times on this and was keeping a lookout for it. I gave him an idea as to  
25X1 the tack taken by [ ] in discussing the [ ] Murphy said  
this recalled to mind his earlier inquiry to us on [ ] 25X1  
article and our reluctance to comment on it. I repeated our position that  
the Agency did not wish to comment on the validity of [ ] assertions 25X1  
in his article. I indicated, however, that if he had a specific question of  
fact which he wished to put to us, that was a different matter. I told Murphy  
we would probably bring someone up in the next few days to discuss some  
of the more important of these cases and the relationship, if any, to the  
atomic energy field.

25X1 11. ([ ] In response to his earlier inquiry for the  
25X1 names of the [ ]  
I advised Jay Sourwine, on the staff of the Senate Subcommittee on Internal  
Security, that we had come across the names of [ ] 25X1  
[ ] and he might want to pursue this further by  
checking with the Visa Office. Sourwine thanked me for this information  
and said he would contact the Visa people.
